Minutes
Clubhouse Meeting
April 10, 2017

Present - Bob Beauregard, Debbie Puleo, Jack Staples and Barbara Vogel.

Absent – Linda Allen

Meeting was called to order at 4:00 PM

First on the agenda was cleaning of the carpet. This will be done by Joe Martinelli Cleaning.

Bob will give Joe a few dates that will work so that the cleaning will be done on a Friday and no activities will be held in the clubhouse until the following week. May 26th and June 23rd are the dates that will hopefully work for all.

It was decided that Bob will get in touch with Carl Barstow, Landscape committee chairman. We would like some new plantings around the clubhouse as some of the current bushes etc. are not doing well. We would like Carl to schedule a date with Sterling Nursery for the purpose of recommending what species will do well around the clubhouse. Certain residents would like the new plantings to be flowering and have some that flower in the spring, summer and fall.

We currently have 2 rentals in April, 1 in May, 2 in June, 1 in November and 2 in December.

The front and back door locks have had to be serviced as the doors would not close tightly. The doors have also been pushed to the extreme and opened totally so that they abut the building. Residents should be aware that the doors should remain closed and if needed, open the windows.

Meeting adjourned at 4:35 PM.

Respectfully submitted,

Debbie Puleo
