Minutes
Clubhouse Meeting
January 9, 2017

Present - Bob Beauregard, Debbie Puleo, Jack Staples and Barbara Vogel.
Absent – Linda Allen

Meeting was called to order at 4:05 PM.
The topic of overnight parking in the clubhouse lot was discussed. Postings were hung in both mail box houses notifying all residents that overnight parking in the clubhouse lot is not allowed and especially NOT allowed when snowstorms are in the forecast.
Rentals scheduled and deposits received are: January 28th and April 22nd.
Rentals on hold are: April 29th and December 9th.

Green trash bags are getting low and will be purchased before the next function.
Suggestion was made to ask the Women’s Club if they would be willing to buy a new Christmas tree for the clubhouse as our current tree is not in the best of condition and lights do not work.
One of the December rentals expressed dissatisfaction with the stove. Further investigation into this matter will be done to discover exactly what the issue was and whether we need to have the stove looked at by an appliance repair company.
Suggestion was made to ask the Sunshine Club to notify Maureen Campos of any resident deaths, wake and funeral arrangements. With the family’s permission, Maureen would send out a community notice of said arrangements.

Next meeting will be Monday, March 6th 2017 at 4 PM
Meeting adjourned at 4:35 PM.

Respectfully submitted,
Debbie Puleo
