Clubhouse Meeting
November 7, 2017

Present - Bob Beauregard, Debbie Puleo, Jack Staples, Barbara Vogel and Linda Allen.

Observer – Sharyn Beauregard

Meeting called to order at 10:10 AM

Discussion was held on the Community Events – Fee Oriented policy and some verbiage was changed. Motion to accept by Bob Beauregard second, Barbara Vogel. Vote was unanimous to accept.

Discussion also on the Christmas Community party. It was decided to recommend to the board that future Christmas Community parties be held off campus. Reasons are: resident safety, building capacity, lack of sprinkler system, potential fire hazard. Board will be addressed on this issue after the first of the year.

Rentals are increasing each year; therefore, the Women’s Club will be asked to have the St. Vincent de Paul truck (which is here in the spring and fall) come on week days to avoid conflict with weekend rentals and parking.

Meeting adjourned at 11:10 AM

Respectfully submitted,

Debbie Puleo
